

St. Mary's
Rehabilitation
University

Empowering Global
Healthcare Careers

(Established under Telangana Private Universities Act, 2018)

India's First & Only Rehabilitation University Now In Hyderabad!

With 29 years of excellence in Higher and Technical Education, the **Joseph Sriharsha & Mary Indrajha Educational Society** has launched **St. Mary's Rehabilitation University**, Hyderabad, has been established to prepare the next generation of highly skilled professionals who will serve not only India but also billions worldwide for accessible, compassionate rehabilitation services. Today, over 2.6 billion people require rehabilitation, yet most never receive it. By 2030, an additional 10 million professionals will be needed. St. Mary's is preparing a new generation to serve India's 140 million people with special needs and the billions worldwide still waiting for care – join us to be part of the change.

WHY CHOOSE ST. MARY'S?

-  **Global Career Pathways:** Eligibility for international licensing exams; career opportunities in 50+ countries including USA, Canada, UK, Australia.
-  **Global Outlook:** Curriculum aligned with international standards; global accreditation partnerships.
-  **Guaranteed Career Support:** 100% international & domestic placements with top hospitals and healthcare centres.
-  **Hands-on Learning:** Immersive training through advanced, umbrella rehabilitation services, comprehensive diagnostic facilities, inpatient & outpatient services in super-specialty medical rehabilitation hospitals, psychiatric rehabilitation hospitals, geriatric homes, adult independent living, community-based rehabilitation, and expert faculty create the perfect environment for learning, research, and innovation.
-  **World-Class Campus:** Spread across 120 acres, campus facilities include a swimming pool, multi-sports arena, indoor & outdoor sports courts, open auditorium, sensory park, food courts, Wi-Fi, power backup, purified drinking water, reading spaces, and comfortable hostels with hygienic food.
